**CERTIFICATION REGARDING BENEFICIAL OWNERS OF LEGAL ENTITY CUSTOMERS**

In compliance with the Customer Due Diligence requirements issued by the Financial Crimes Enforcement Network (FinCEN), financial institutions must identify and verify the identity of the beneficial owners of all legal entity customers.

This form must be completed by the person opening a new account on behalf of a legal entity customer. For the purposes of this form, a legal entity includes a corporation, limited liability company, or other entity that is created by filing a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in the United States or a foreign country. Legal entity does not include sole proprietorships, unincorporated associations, or natural persons opening account on their own behalf.

This form requires you provide the name, address, date of birth and Social Security number (or passport number or other similar information, in the case of non-U.S. Persons) for the following individuals (i.e., the beneficial owners):

- (i) Each individual, if any, who owns, directly or indirectly, 25 percent or more of the equity interests of the legal entity customer (e.g., each natural person that owns 25 percent or more of the shares of a corporation); **and**
- (ii) An individual with significant responsibility for managing the legal entity customer (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President, or Treasurer).

The number of individuals that satisfy this definition of “beneficial owner” may vary. Under section (i), depending on the factual circumstances, up to four individuals (but as few as zero) may need to be identified. **Regardless of the number of individuals identified in section (i), you must provide the identifying information of one individual under section (ii).** It is possible that in some circumstances the same individual might be identified under both sections (e.g., the President of ACME, Inc. who also holds a 30 percent equity interest). Thus, a completed form will contain the identifying information of at least one individual (under section (ii)), and up to five individuals (i.e., one individual under section (ii) and four 25 percent equity holders under section (i)).

The financial institution may also ask to see a copy of a driver’s license or other identifying document for each beneficial owner listed on this form.

**STATE ESCHEATMENT LAWS**

Escheatment laws adopted by various states require that personal property that is deemed to be abandoned or ownerless, including mutual fund shares and bank deposits, be transferred to the state. Under such laws, ownership of your Fund shares may be transferred to the appropriate state if no activity occurs in your account within the time period specified by applicable state law. The Fund retains a search service to track down missing shareholders and will escheat an account only after several attempts to locate the shareholder have failed. To avoid this from happening to your account, please keep track of your account and promptly inform the Fund of any change in your address.
